Indeed, she has come back.
She's finally back.
And now, after several years...
She was taken from us due to the government's interruption.
The crystal of our efforts.

THE HIGHER-UPS OF THE COUNTRY... WITH THE GIRL COMPLETELY NAKED...

★この作品はフィクションであり、実在の個人・団体等にはいっさい関係ありません。

Calm down, Hanasaka!
I'm begging you! Calm down!
Please let me go!
I need to apologize to Himeshiro-san!
Please let me go!
I might have hurt Himeshiro-san!
Where are you gonna apologize?
How!?
.....

別冊少年チャンピオン 3月号 2月12日(火)発売!!

I said all that to Kimeshiro-san, and yet...
I thought they would just bring her to some laboratory,
But isn't this the government's central agency!?
I can't even get inside!!
Uuu... What do I do...? At this rate, Kimeshiro-san will...

Shikishima-san!? Why are you here!?
That elevator door won't open no matter what I do!
Beep

So please just wait here.
Tachibana-sensei.
I will bring back Ki-meshiro-san.
Beep
is opened!

Ah! Wait a second! I'll go with y-

It really won't open...

That's why this time, I think that what you want to do is important.
If you'll allow me to say what I'm thinking,
Then I'll say that Himeshiro was starting to feel some sort of attachment.
Oh. So you understand the situation pretty much, huh?
Besides, I'm sure that you know this already, but pretty words such as "respect for others' will,"
Mean absolutely nothing in the "Outside World."

I'm an unfair human.
I'm powerless. I can't do anything. I'm just a pathetic child.
I told myself that it'll be fine as long as I do what the adults say...
I even pretended not to notice what sort of place this is.

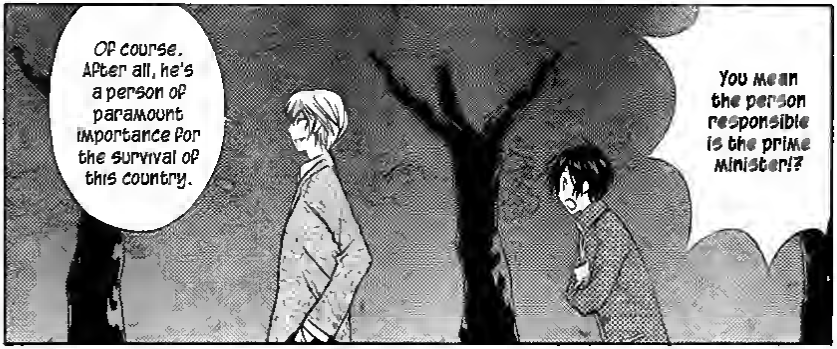
But at the same time, I knew.
Why the adults were so obsessed with someone like me.
That's why I'm an unfair human.

Now, what will you do, Prince-sama?
Then that means you already know what you're supposed to do from now on.

Would you please let me meet with the person responsible for this project?
Tadano-sensei, I have a request.

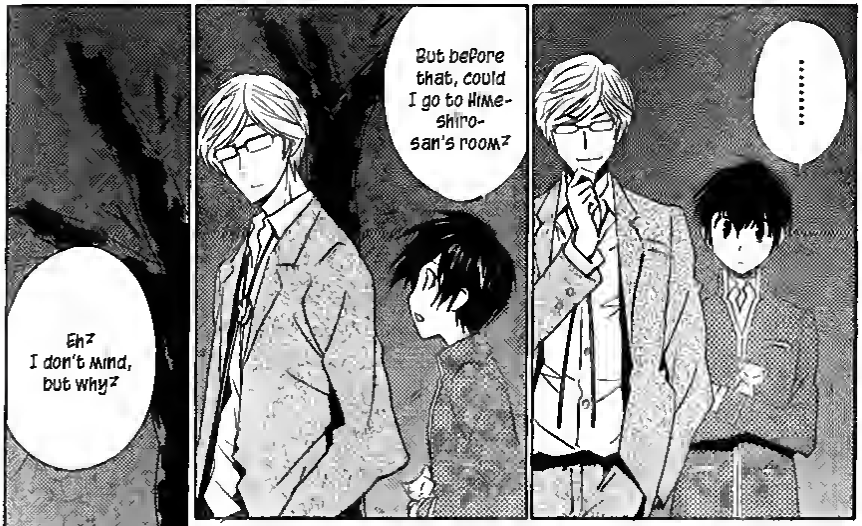
Now, let's go.
That is but an easy task.

Go!? Where!?
To directly negotiate with the prime minister of this country.

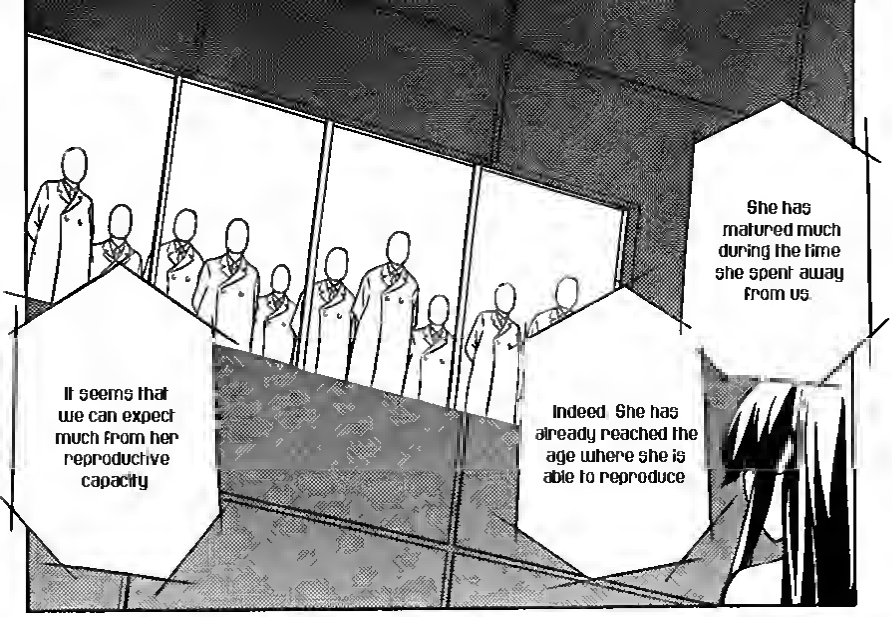


You mean the person responsible is the prime minister!?
Of course. After all, he's a person of paramount importance for the survival of this country.

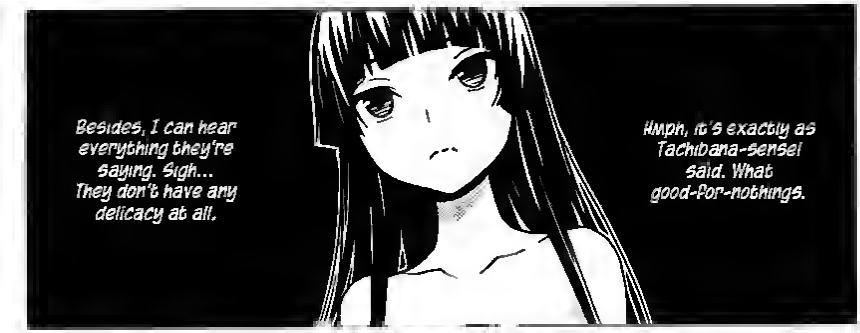
13



.....
But before that, could I go to Hime-shiro-san's room?
Eh? I don't mind, but why?



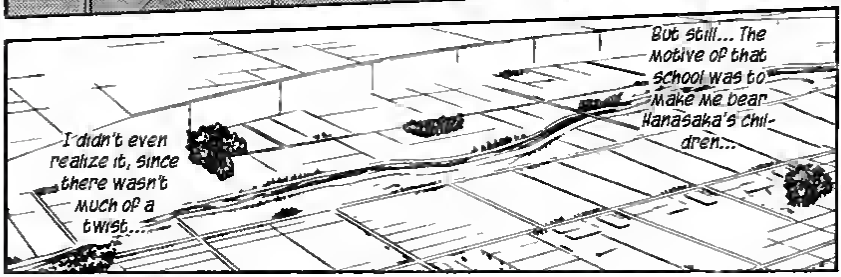
She has matured much during the time she spent away from us.
Indeed. She has already reached the age where she is able to reproduce
It seems that we can expect much from her reproductive capacity



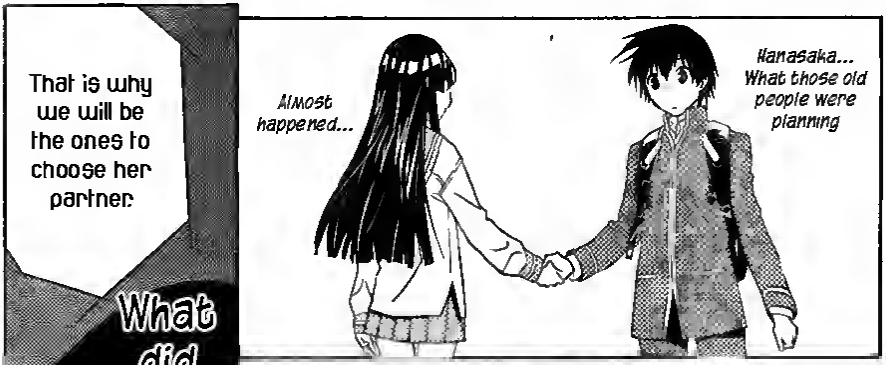
Hmph, it's exactly as Tachibana-sensei said. What good-for-nothings.
Besides, I can hear everything they're saying. Sigh... They don't have any delicacy at all.

Try to be as obedient as you can.
If you do that, whatever they do to you will be kept to a minimum.
During that time, I'll try to do something about it, okay?

Tachibana-sensei... She said all that, but what does she plan to do?
Well, whatever. I guess I should just stay quiet for now.
However, it seems that she hasn't engaged reproductive behavior yet



But still... The motive of that school was to make me bear Hanasaka's children...
I didn't even realize it, since there wasn't much of a twist...



Almost happened...
Hanasaka... What those old people were planning
That is why we will be the ones to choose her partner
What did they just say!?

She was created by us, thus she is ours.

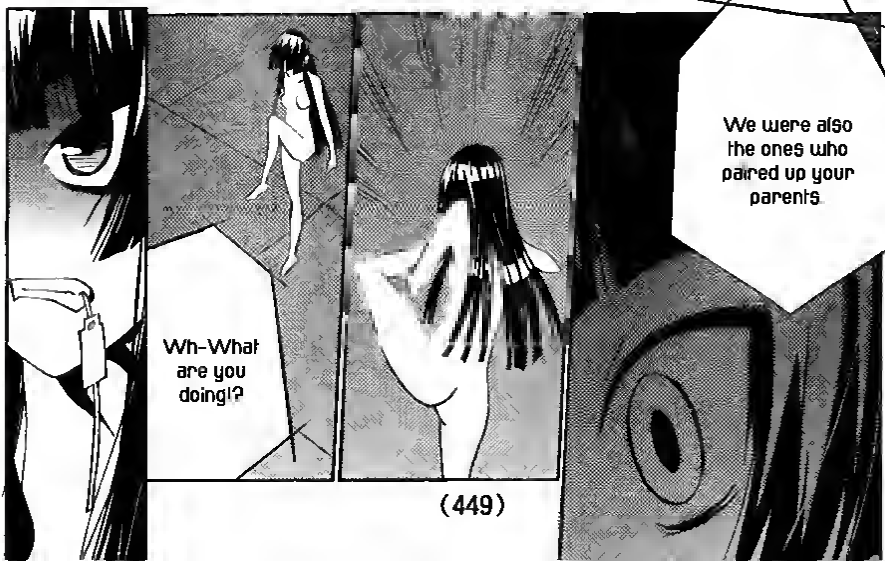
.....
Ah.
But calling me "yours," don't you think you're being too rude!?
I've been quietly listening 'til now,
You were quite docile, so I thought you were under medication...
Were you not under medication?
Oh gosh, I did it... Well, I guess it's fine now...
It is precisely because of our efforts that we've been able to hide by for so long.
The incompetent ones are the successive administrations of this country. The government was never able to do anything.
In the first place, haven't you ever thought that the low fertility of this country was all because of your incompetence?
16
Exactly! Then what are you planning to do with this "mere child"!?
You're a mere child! What do you know!?
Then how come we're almost extinct!?

That is a heresy that we will never accept
There's the Newden anyway! What's the problem!?
Why are you so obsessed with us, the Last Generation!?

For we were the ones who produced the existence you call yourself
In the first place, to call us incompetent would be to deny your own existence.

17

What do you mean by that!?
If we had not foreseen it, this would not have been possible.
Unlike other creatures, the generational shift of humans takes much time.



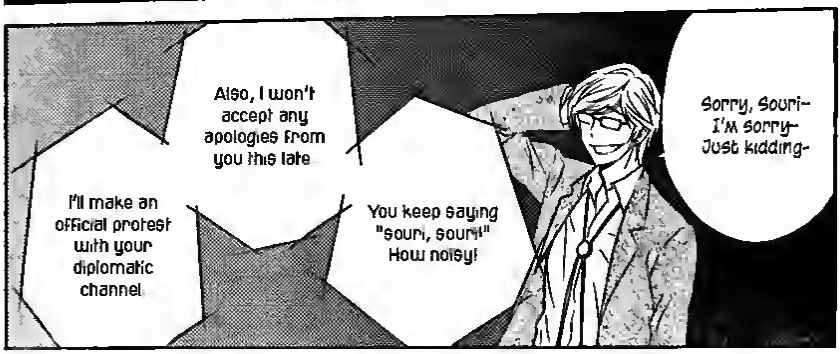
We were also the ones who paired up your parents.
Wh-What are you doing!?

But I didn't understand why I hated you so much!
I hate you adults so much that I want to kill you with my own hands!
Hmph!
I understand now why this country is good-for-nothing!
But now, I get it! I understand now why I was born from those kinds of parents!
18
Be grateful to my immaturity!
If it weren't for that, I'm sure you'd be regretting by now that you lived for so long!

This might actually turn out badly...
It seems that she has quite a severe mental defect.
.....
But worry not. Unlike the government, we will not forsake you.
Radically, we are interested only in your internal organs.
Is a lot sicker than I expected.
Hmmm... As I thought, this country...

TL Note: Souri means prime minister

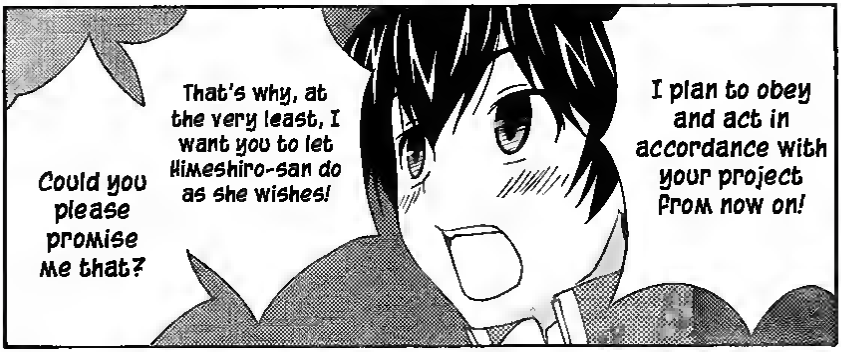
Aha-
The agenda was you! Of course it'd be quick!
I heard you were in a cabinet meeting, so I thought you'd take longer.
Oh my my- Prime Minister, you sure are quick.



Also, I won't accept any apologies from you this late
I'll make an official protest with your diplomatic channel
You keep saying "souri, souri!" How noisy!
Sorry, Souri- I'm sorry- Just kidding-

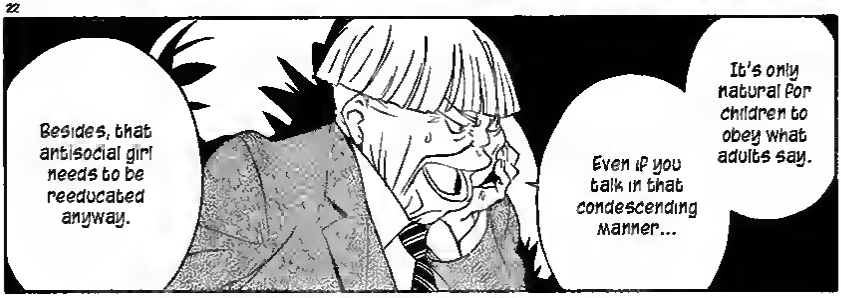
BLAM!
We've met before in the opening ceremony!
I'm Hanasaka Haru!
Along with my apology, allow me to introduce you.
He said that he wanted to speak with the prime minister no matter what.

In the first place, this communication line itself is classified information!
Are you sane!? Do you know what you're doing!?
Are you okay, prime minister~?
Shut up!!
Hanasaka Haru....



Could you please promise me that?
That's why, at the very least, I want you to let Himeshiro-san do as she wishes!
I plan to obey and act in accordance with your project from now on!

22



Besides, that antisocial girl needs to be reeducated anyway.
Even if you talk in that condescending manner...
It's only natural for children to obey what adults say.

We took this action for your sake.
You've seen it as well, haven't you? That girl's condition.
That girl is rebellious, aggressive and violent.
If it went on, she would have just been a bad influence-

That's not true! Himeshiro-san is a wonderful person!
Hmph!! Isn't that just imprinting!?

Imprinting?
After all, for you, she's the first you've met of the opposite sex from the same generation.
You might see someone like her as wonderful just because of that.

Shut up.
Eh?

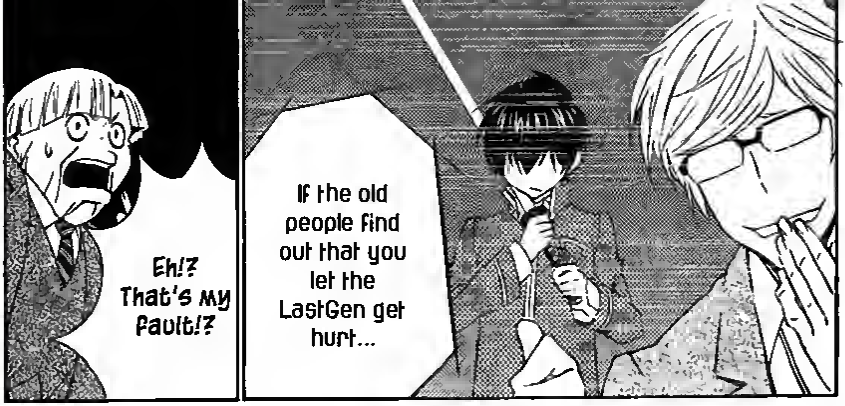
But I want you to stop worrying I don't know what that fake teacher told you,

But we, the government, will take responsibility and make sure that we bring much better girls-

Are you gonna promise me that or not!?
P-Please calm down, Hanasaka-kun!
Besides, threats like that won't work through a Monitor!
It's dangerous, so stop it!
You won't be able to go through with it anyway!

Stop him already!!
Hey, fake teacher! What are you just spacing out there for!?
Stop it~ Or else they'll scold Sensei~
Waaa~ Hanasaka-kun, that's dangerous~
me ?
I get it already! Just move!
Sorry, Souri~ Seems like it's impossible for me~

Eh... But, to do it after all this time... It's impossible...
Are you sure you should be saying that~?
So why don't we just pretend that none of this happened?
Actually, about this incident... I haven't reported to headquarters about this yet~
Now then, I actually have something to tell you about...
Wh- What?



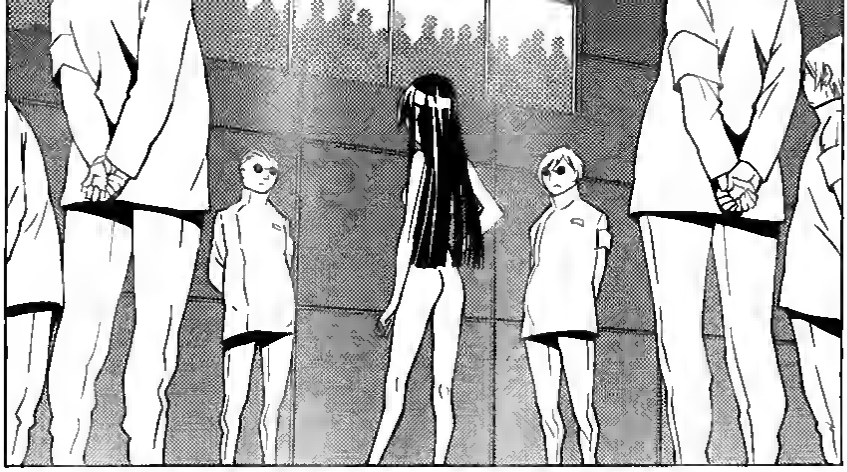
Eh!? That's my fault!?
If the old people find out that you let the LastGen get hurt...

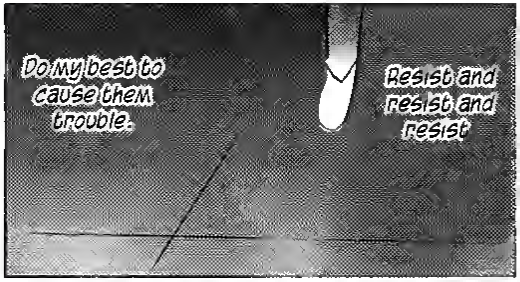
What do you think? Why don't we just keep this matter between us errand boys?
Besides, even though you're the prime Minister, you're just an errand boy for those old people, right?

But make sure that the higher-ups don't find out about this incident with Hanasaka-kun.
F-Fine...

How am I supposed to report this to the old people?
Sigh... I agreed to that deal but...
Now that that's decided, thanks for all your hard work, Prime Minister

Eh? They're not going to the old people's place first?
The people from the Eminent Persons Group are coming...
Prime Minister
What do you want this time!?
Your concern is unneeded, Prime Minister. We have already arrived.
It's bad to make them wait!
Take charge of them politely!
I-I'm busy right now!
Exactly who it is supporting this country right now.
You should comprehend
Therefore, any more interference from your side towards them is forbidden.
We were chosen by the Queen to serve as guardians a short while ago.
You understand what will happen if you violate the rules, yes?





Do my best to cause them trouble.
Resist and resist and resist

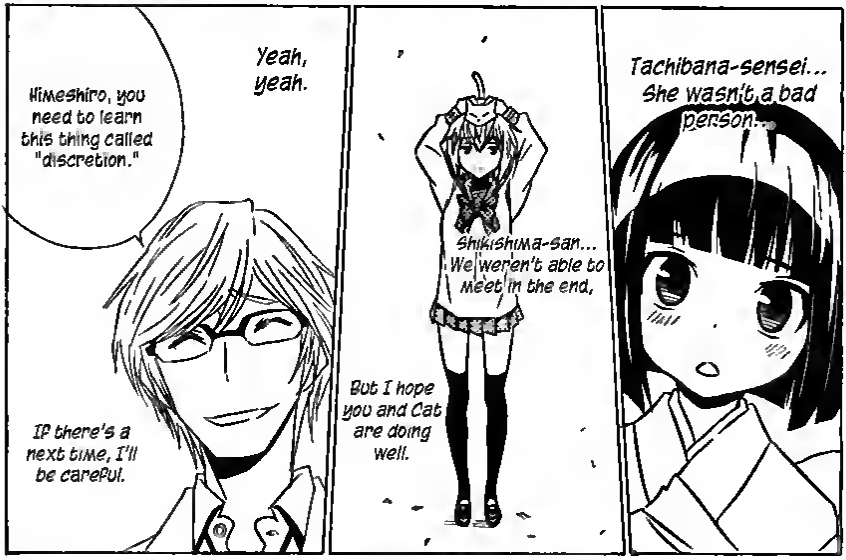
Now then, what will I do from now on?

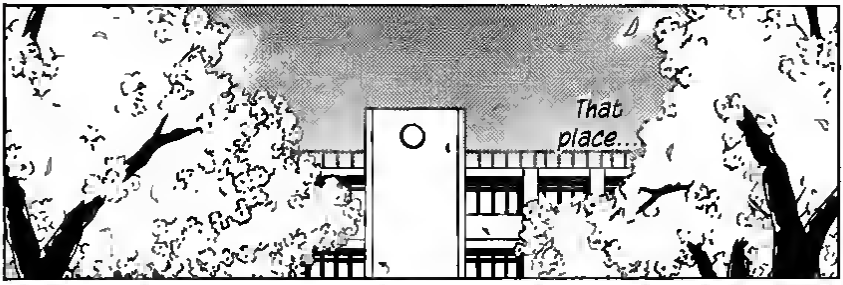
Me disappearing probably won't even change anything...
And, since I'm just me...

28

Why am I remembering you at a time like this...?
Hanasaka...

別冊少年チャンピオン 3月号2月12日㈮発売!!



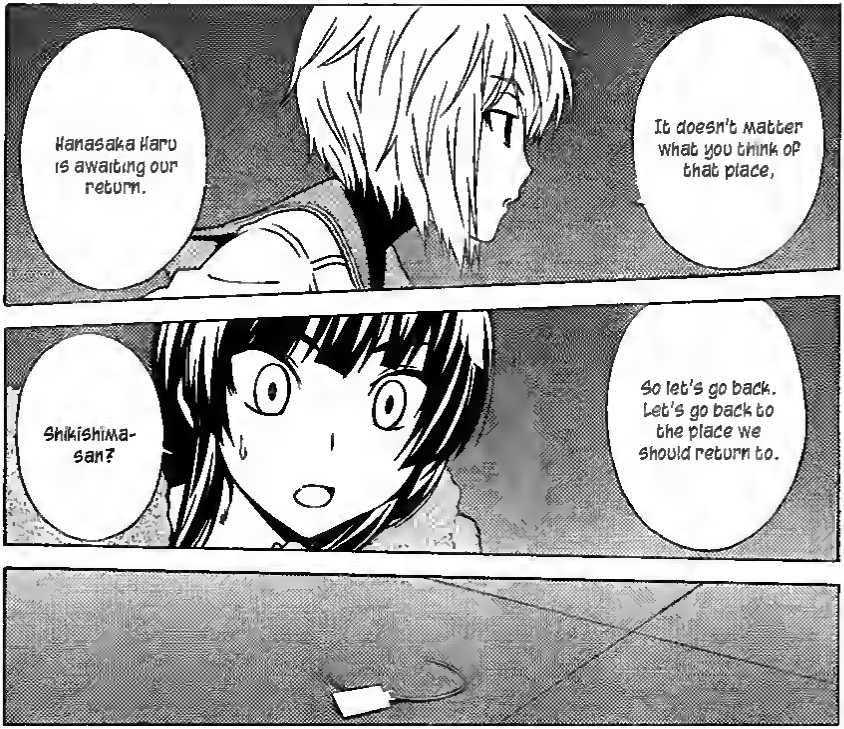


Shikishima-san!?
!?
Wh-What did you do? Why are you here!?
Let's go back.
Let's go back.

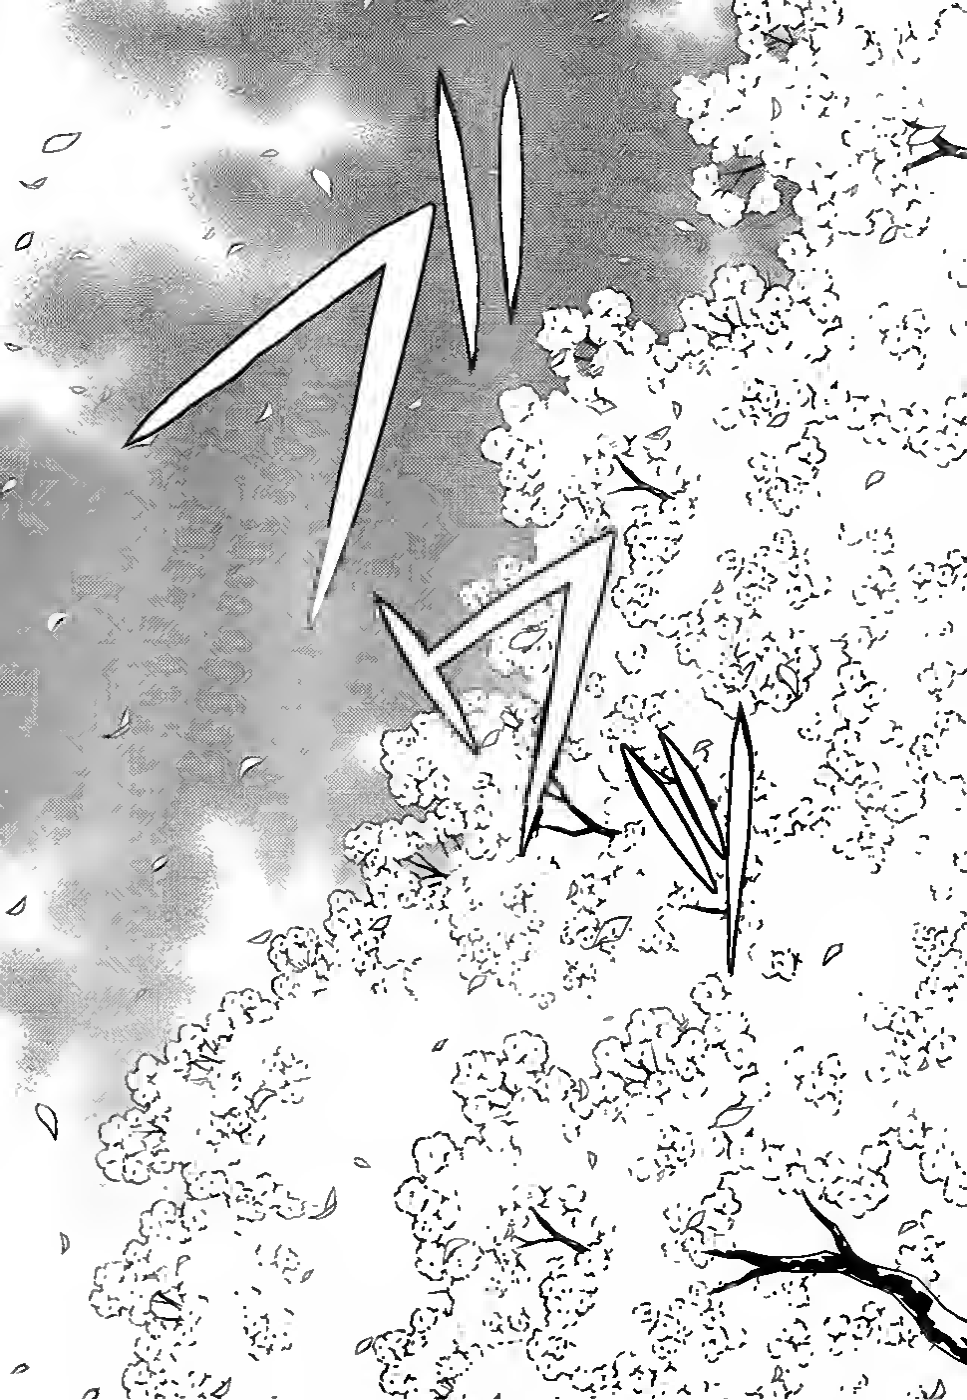
Hmph! That place is like a lump of deception.
And I'm sick of it!
Huh?
ガバッ!!

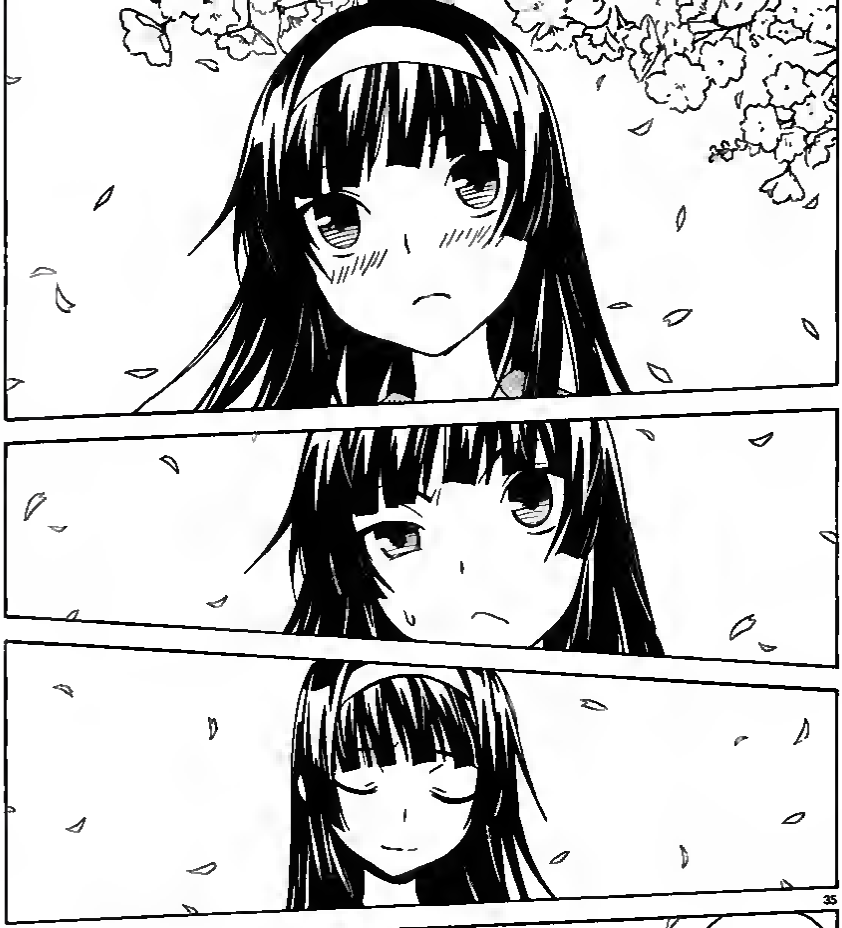
31

Wai-Shikishima-san! Let me go!



Hanasaka Haru is awaiting our return.
It doesn't matter what you think of that place,
Shikishima-san?
So let's go back. Let's go back to the place we should return to.

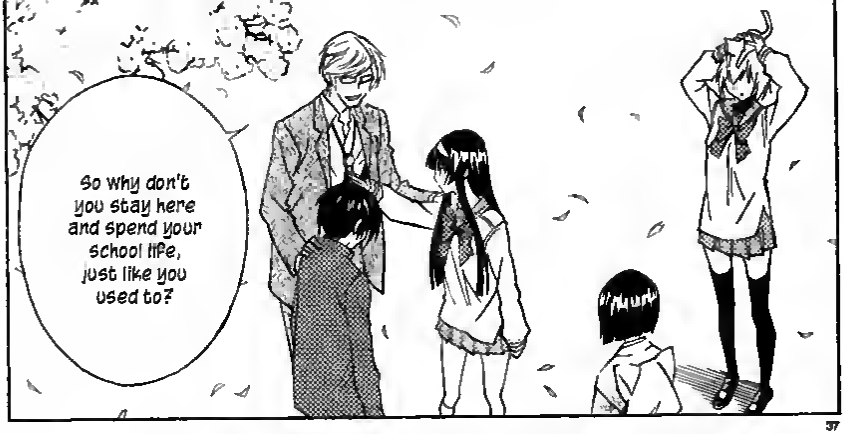




What kind of pace is that, seriously?
Just because we didn't see each other for one night...

...Now then, Sensei has one suggestion for all of you...

But, it's just a few years until you become adults.
Indeed, this place is a phony.
An imitation full of lies made from the shadiest of motives.



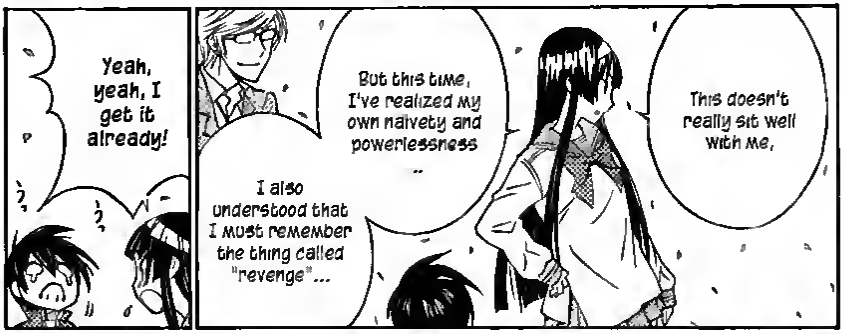
So why don't you stay here and spend your school life, just like you used to?

Have fun and make the best of your pretend school youth.
Isn't that fine? Pretend school.

In short, you're telling us to play "pretend school?"

Why don't we make the best of it?
In this already lost country... The school life of the generation that still has these things called "youth" and "love"...

Geez...
What's with you? You look like an idiot.
Stop looking at me with that face already!



This doesn't really sit well with me,
But this time, I've realized my own naivety and powerlessness...
I also understood that I must remember the thing called "revenge"...
Yeah, yeah, I get it already!

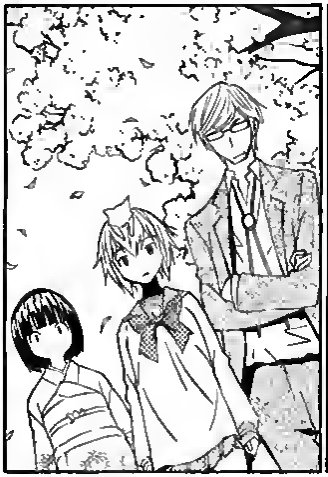
...I'm back.

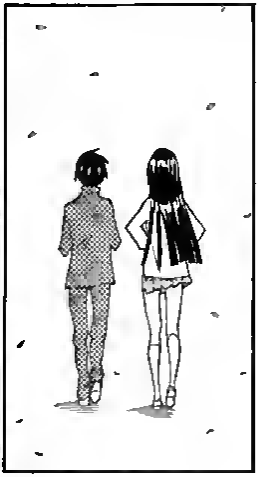
Welcome back.

N-No, it's nothing. Nothing really.
By the way, what's wrong with your neck?

39

Shikishima, thanks to you, too.





IN ORDER TO GET BACK THE LOST "LOVE COMEDY,"
THE "PRETEND SCHOOL" WILL START FROM HERE ON OUT.
